

How to Recycle Major Appliances in the Greater Trail area

Starting **May 1st, 2019** there will be **NO CHARGE** for recycling **SOME** Major Appliances at RDKB landfills and transfer stations.

The RDKB has partnered with the Major Appliances Recycling Roundtable (MARR) to be a depot for their regulated products.

These include:

- Stoves
- Dishwashers
- Clothes Dryers
- Washing Machines
- Built-in Range Hoods & Microwaves
- Installed Cooking Surfaces and Water Dispensers
- Trash Compactors
- Garburators

Appliances that contain Ozone Depleting Substances (fridges, freezers, coolers, air conditioners) are not accepted at the McKelvey Crk Landfill and must be taken to Tervita Metals (Waneta Industrial Park).

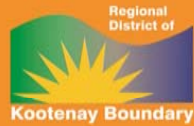

Most small appliances can be brought to the Trail Bottle Depot (562 Rossland Ave.) for no charge.

Call to learn what else is accepted for recycling and operating hours: 250.364.3025

Scrap metal tipping fees (\$30 per tonne) apply at RDKB landfills and transfer stations for metal items which are not part of the MARR Stewardship Program. This includes hot water tanks, furnaces, water softeners, barbeques, furniture, and large power tools.

Check out the BC Recycling Hotline for more information on where to bring... almost anything.

Illegal Dumping in our Community

The RDKB reminds residents that vacant lands and right-of-ways are never the proper place to dispose of waste.

If you find illegally dumped materials or spot people disposing of materials improperly, note details such as location, license plates, vehicle descriptions, time etc. and call the BC Conservation Officer Service 'Report all Poachers and Polluters' 24-hr. Hotline @ 1.877.952.7277.

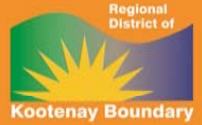

Illegal dumping hurts our community and damages our environment. Take the time to find out where to drop off your unwanted materials and be prepared to pay the true cost of disposal.

We all have a role to play to eliminate illegal dumping. Take leadership in your neighbourhood and demonstrate how to dispose of materials properly. Take responsibility by composting your yard waste in your backyard or bring it to RDKB landfills for composting. Inform your neighbours that illegal dumping is contrary to our community values—and it's illegal.

The RDKB supports the efforts of community groups who clean up illegally dumped materials. The Waive Tipping Fees policy provides for these materials to be brought to RDKB landfills and transfer stations—with some restrictions:

- * The community group will notify the RDKB at least 5 working days prior to the clean up
- * materials must be sorted: scrap metal, tires cardboard, etc.
- * wood products
- * appliances, etc.

Call the RDKB for more information @ 1.800.355.7352

Got a question about recycling plastics?
